Field Trips

Who can sign up for field trips?
Day at the Whitney Lab is open to all public, private, and academy schools, grades 4th -6th.

Do you accept home school groups?
Yes. Home school groups are scheduled on Wednesday’s, and we accept grade levels 3rd -7th.

Our group is larger than the maximum number of students, what should we do?
We take a min. of 12 students and a max of 30. If your group exceeds this number you will need to split your class into two separate dates.

What is the field trip cancellation policy?
At this time we do not have a cancellation fee but we ask for a two week notice.

Will I receive an email confirmation?
Yes, when you schedule your class online you will receive a reservation confirmation via email.

What is the cost?
The cost is $6.00 per student.

Can I get an invoice?
Yes. Upon request, I can email out an invoice in advance to you and/or your bookkeeper; and then a receipt upon returning.

Where do we meet our instructor when we arrive at the Whitney Lab?
At the two- story building called The Center for Marine Studies. The CMS is located on the West end of the Whitney campus by the estuary, next to the Whitney boat dock, and North of the Marina.

Where do busses park?
Busses may park in the large green area south of the CMS. See map of Whitney Lab campus.

What are our lunch options?
For Day at the Whitney Lab – student may bring a sack lunch. We have indoor and outdoor seating available. We do not have food for purchase.

What is the recommended number of chaperones?
One chaperone per six students is optimal.

Is there a charge for chaperones or teachers?
No.
